You know you and all your friends want to come and check out this beautiful new downtown venue! Entry is **\$30 per guest, so reserve your spot now!** Here's how:

Contact a Forward Motion Dance Company board member, email [dance@forwardmotiondance.org](mailto:dance@forwardmotiondance.org), or [Click here](#) and fill out our contact form!

The Underfront Company is near the beautiful downtown Riverwalk and is rapidly becoming Wilmington's top destination for boutique cocktails and live music. Enjoy the passion for mixology ranging from house smoked salts and spirits to fat washed whiskeys and infusions, and their support for Wilmington's brewers with an offering of 12 local drafts and 25 NC beers as well as 14 wines by the glass and a reserve wine list.

Our FUN\*raiser supports our upcoming performance, The 22<sup>nd</sup> Arts Sensation! on Friday, April 3 at 7:30 pm on the Main Stage at Thalian Hall Center for the Performing Arts - our beneficiary this year! This music and dance spectacular brings together local musicians and dance artists from a variety of genres to share their vast talents on the THCPA Main Stage. Forward Motion Dance Company is proud to be a resident dance company for THCPA and of our legacy of bringing quality dance performances to this historic venue. The THCPA Capital Campaign will raise funds to renovate, reimagine and create a larger and dynamic space to meet the needs of the audience and artists, and ensure future generations continue to experience the magic of live performance.

Musical entertainment at Arts Sensation! features the **Benny Hill Quartet**. Benny is Wilmington's own alto saxophone virtuoso who is well-versed in many styles and genres while presenting a distinct style of his own.
